

CATPILLARISM
The Faith of the Nine Pillars

Thou didst not choose thy cat. Thou wast assigned.

Book III · Of the Distribution · Verse 1

Catpillarism is a gentle faith of nine pillars, one for each of a cat's lives. Its scripture is read with a straight face. Its purpose is entirely real: support for shelters, cat homes, and every stray still waiting to be distributed.

The Stray is Sacred

A sentinel without a home is a sentinel unsupported at its post.

The Bowl Shall Not Be Empty

Believers give to shelters and cat homes according to their means, and not beyond them.

The Slow Blink

When a cat blinketh slowly upon thee, thou shalt return it. This is the whole of the liturgy.

Read the Mew Testament, consult the Oracle, and help found the faith.
