CATPILLARISM

The Vow at the Threshold

- I come as a guest into the dwelling of the Whiskered.
- I shall treat every cat with respect, for each is a Sentinel at its post.
- I shall hold every cat in love, for it was distributed, and I was chosen to receive it.
- I shall offer affection only as it is welcomed, for the consent of the Nine-Lived is sacred.
- I shall never strike, abandon, or neglect a cat; and where I see one wronged, I shall not look away.
